

FUNDRAISING BAG PACKS

14th October / 18th November / 2nd December

Dear Scout\Parent

To help raise funds for the transport costs for Jersey 2018 (and future trips for those not going to Jersey) we are doing a number of bag packs. The dates are as follows:-

- Saturday 14th October - Tesco (Witham)
- Saturday 18th November - Tesco (Witham)
- Saturday 2nd December - **Springfield Sainsbury's (Chelmsford)**

For those of you who haven't done a bag pack, its where Scouts stand at the end of the checkouts and offer to help people pack their shopping into bags. We have collection pots at the end of the checkouts and people are free to give us as little or as much of a donation for the help the Scouts have given them.

The stores policy's means we cannot have more than 12 Scouts in store at the same time (but if we ask nicely we may be allowed 1 or 2 extra). So flexibility by the Scouts gives them the most opportunity to get a slot.

Therefore we are asking you if you would prefer either 4 hours in the morning or afternoon. These are the only options available so please don't ask to do outside of these periods. If you are flexible and can do morning or afternoon please write 1 and 2 in the boxes as your 1st and 2nd choices or just tick both if you don't mind which one.

Scouts can take part in all bag packs days - they don't have to select one or the other.

(if we raise as much as we normally do, if a Scout does one session each day they could earn between £30 - £40)

We **MUST** have forms returned no later than 1st October. This then gives us time to get the rota finalised and emailed out. Any forms received late will not accepted. Also, please make sure you can do the hours you select as the only change we can accept is to cancel your session.

We would like Scouts to be dropped off and collected direct from the stores. Any questions please get in contact.

Regards

Dan
