## So you want to go?

If you want to take part in this opportunity of staying in Surrey for a 'scary' weekend, all you need to do is fill in and return the form on the back of this page.

We are only charging £65 for the whole weekend which is excellent value. This includes the accommodation, the entrance fees, transport, activities and all meals. It does not include any spending money. This trip is being subsidised so would normally cost a lot more if paying full price!

The trip is being initially offered to Scouts so will be strictly first come first served. The layout of the building means we can take a maximum of 30 Scouts (but could be less depending on number of girls\boys) If not full by the deadline we may offer it to Explorers/Young Leaders. So if you will be in Explorers/Young Leader by the time of the trip and would like to go, please speak to a leader to get your name on the reserve list.

To guarantee your place all we need is a £15 deposit. This should be paid by the end of July 2017 as we need to confirm with the Theme Park exact numbers to get the Scout discount.

If being able to pay this by then will cause you a problem, but you really want a place, please speak to a leader in confidence and we will make other arrangements for you.

This will be a really good weekend and we don't want anyone missing out that wants to go.

The leadership team for the weekend will be put together by the Scout Section Leaders and helpers in due course.
